BOARD OF COUNTY COMMISSIONERS
PROWERS COUNTY, COLORADO
301 SOUTH MAIN STREET, SUITE 215
LAMAR, COLORADO 81052
Phone: (719)336-8025
Fax: (719)336-2255**

PERMITTEE'S NAME: _____ **DATE:** _____
ADDRESS: _____

Your request for permission to install a _____

_____ is granted, subject to the following terms and conditions:

IT IS UNDERSTOOD that the PERMITTEE will cause the installation to be fully completed at no expense whatsoever to PROWERS COUNTY and that the PERMITTEE will own and maintain the same after installation. PROWERS COUNTY makes no warranty of title, either expressed or implied.

The installation shall be installed beneath the surface of the right-of-way at a minimum depth of thirty six inches, and the disturbed portion of the roadway and right-of-way shall be restored to its original condition. No part of the installation will be above the surface unless specifically approved by PROWERS COUNTY herein. The back filling shall be made in six inch lifts and mechanically tamped and packed, and the last twelve inches of the back fill shall be of stable granular material such as crushed rock or gravel. If PROWERS COUNTY so requires, PERMITTEE shall mark this installation with markers acceptable to PROWERS COUNTY at the location or locations designated by PROWERS COUNTY.

Where the installation crosses the roadway, it shall be encased in pipe of larger diameter and the crossing shall be as nearly perpendicular to the roadway as physically possible. This installation shall be installed by the method of boring or jacking through beneath the road surface; however, open cut shall be allowed up to the edge of the surfaced portion of the highway. No water shall be used in the boring and no tunneling shall be permitted.

Where the installation crosses any ditches, canals or water carrying structures, the installation shall be pushed through and beneath in a pipe of larger diameter thereby eliminating the necessity of trenching. In no case shall the flow of water be impaired or interrupted. PROWERS COUNTY will review proposed irrigation lines and, upon request, may waive the sleeve requirement based on the review.

The work must be accomplished in accordance with accepted good practices and conform to the strictest recommendations of any applicable National Safety Code and to such Colorado statutes as are applicable. The terms and provisions of Resolution No. 2005-01 are incorporated herein by reference.

SPECIAL PROVISIONS:

UNDERGROUND AND UTILITY PERMIT
Page 2
BOARD OF COUNTY COMMISSIONERS
PROWERS COUNTY, COLORADO

Permit Number _____

The PERMITTEE shall maintain the installation at all times and agrees to indemnify and hold PROWERS COUNTY, the agencies thereof and their officers, employees and agents harmless from any and all loss and damage which may arise out of or be connected with the installation, maintenance, repair and replacement of any facility connected therewith.

This work shall be completed within _____ days from the above date. No work shall be allowed on Saturdays or Sundays. No open trench shall be permitted on or near a traveled roadway after dark, unless otherwise specified in special provisions.

PERMITTEE will be required to shut off lines and remove all materials on or near the highway right-of-way when requested to do so by PROWERS COUNTY because of necessary highway construction or maintenance operations. Permits involving encroachment on the National System of Interstate Defense Highways may require concurrence by the U.S. Bureau of Public Roads or other Federal Agencies. Permits involving encroachment on the Colorado Dept. of Transportation Highways may require concurrence by the Colorado Dept. of Transportation or other Colorado Agencies prior to the issuance of a permit by PROWERS COUNTY.

The public must be protected during this installation with proper warning signs or signals both day and night. Warning signs and signals shall be installed by and at the expense of the PERMITTEE and in accordance with directions given by the Supervisor or the Supervisor's representatives.

In the event any changes are made to this highway in the future or other circumstances arise that would necessitate removal or relocation of this installation, PERMITTEE will do so promptly at PERMITTEE'S own expense upon written request from PROWERS COUNTY. PROWERS COUNTY, whether negligent or otherwise, shall not be responsible for any damage that may result from the maintenance or use of the highway and right-of-way to the installation placed inside the right-of-way limits of PROWERS COUNTY.

This permit shall bind the parties and their respective heirs, successors, personal representatives and assigns, including but not limited to the provisions excluding liability of PROWERS COUNTY. Any action necessary to construe, interpret, or enforce the provisions of this Agreement shall be brought and maintained in the District Court in and for Prowers County, Colorado, and in the event PROWERS COUNTY is the substantially prevailing party therein, PROWERS COUNTY shall be entitled, as a matter of contract law and agreement, to recover its costs and expense therein incurred, including reasonable attorney and expert witness fees and costs.

PROWERS COUNTY, COLORADO

PROWERS COUNTY, COLORADO

By _____
Road & Bridge Supervisor (Date)

By _____
Chairman, Board of Commissioners (Date)

In accepting this Permit the undersigned, representing the PERMITTEE, verifies that the undersigned has read and understands all of the foregoing provisions, that the undersigned has authority to sign for and bind the PERMITTEE, and that by virtue of the undersigned's signature the PERMITTEE is bound by all the conditions set forth herein. There is a penalty fee of \$500 if work is done before obtaining this Permit. If Prowers County is required to incur any costs such as gravel, asphalt, barricades, signs, lighting, settling or other roadwork or repair, the Permittee will reimburse Prowers County for these costs at current rates.
